## FIELD EXPERIENCES

**C&I 370** (Field Work in Elementary Education, I): Candidates primarily tutor elementary school students in after school programs. Candidates assist students in completing homework, reinforce newly learned skills, review previously learned content and skills, and/or provide enrichment activities.

**C&I 371** (Field Work in Elementary Education, II): Candidates assist an elementary school classroom teacher and work with individual or small groups of children.

**C&I 470** (Senior Field Work/Seminar in Elementary Education): Candidates spend half days in an area classroom teaching at least 30 lessons across the subject areas (reading/language arts, science, social studies, and math).

**STUDENT TEACHING** Candidates completing the elementary education program participate in a 16 week student teaching experience. Candidates also enroll in ELED 410 (Senior Seminar in Elementary Education) this semester. In ELED 410, candidates correspond with a department faculty member via email as they complete their edTPA.
