This confidential, secure online survey is being used to provide eligible faculty members opportunities for providing their input regarding the performance of Interim President Dr. Martin Abraham. This year's President survey is the same as the survey performed in 2019.

The survey has been developed, administered, and will be analyzed by the Faculty Senate's Committee on Provost and Presidential Performance (CPPP). A report summarizing the responses to this survey will be provided to the Board of Trustees and discussed with the President by the CPPP. It will also be made available to the campus community through the Faculty Senate's website. The Interim President will be invited to write a response to the evaluation, which will be posted to the Faculty Senate website, and to address the Senate. For the following series of questions, you will be asked to rate how effective Interim President Dr. Abraham has been in the current academic year (2020-2021) in performing various aspects of his responsibilities.
